# A message from our leadership

**Delaine Thiel**  
Vice President Philanthropy  
CHI Saint Joseph  
Health Foundations  
KY Market

As we celebrate the season of giving, CHI Saint Joseph Health Foundations would like to express our gratitude to the many individuals and businesses that have generously supported our ministry.

Our volunteers and donors across Kentucky provide meaningful contributions that allow us to make a positive impact on our patients and the communities we serve.

Each of the five CHI Hospital Foundations have representatives that serve as board members. This year they are collaborating, learning from one another and advocating as the voice of their community. Current board members and some of the projects they have helped steer are in this issue.

We implemented new equipment and celebrated the opening of new facility spaces that will improve access to care and elevate the services we provide.

Our caregivers received recognition for their excellent and compassionate care as our ministry came together for the first market wide Human kindness Gala this year. Save the date, as we look forward to celebrating again with one another on May 18, 2024 at the Marriott Griffin Gate Resort.

The Foundations will leverage the theme of Humankindness, by promoting a fund that emphasizes the work we do in serving others. CHI Saint Joseph Health programs such as our Employee Financial Assistance (EFAF), Patient Financial Assistance (PFAF), and Community Assistance, Humankindness Havens will cultivate support together for the Humankindness Fund.

These crucial programs provide emergent resources due to unexpected circumstances. In 2022, donors like you made it possible for us to provide over \$238,000 to help our neighbors when they needed it most. A remittance envelope is enclosed in this impact report. Thank you for your consideration.

Humankindness is defined as **humanity+ kindness+ the capacity to care.**

We hope that you will continue to support your community hospital and CHI Saint Joseph Health Foundations. We welcome new volunteers to serve as patient representatives, ministry ambassadors, in our gift shops or participate with a foundation event. Please reach out for more information, or to discuss this or any initiative meaningful to you.

# How funds are raised

At CHI Saint Joseph Health, a diverse group of donors support our ministry a variety of ways—annual donations, grants, planned and estate gifts, and attending events. We, and the patients we serve, are forever grateful.

Donations, both large and small, enable the foundations to provide cutting-edge technology, build and support health education and community outreach programs, and support those who cannot afford the costs of health care.

# CHI Saint Joseph Health Foundations Awards Nearly \$60,000 in Employee Scholarships

CHI Saint Joseph Health Foundations have awarded scholarships to 32 caregivers at CHI Saint Joseph Health facilities across Kentucky to advance their education in health care. In total, \$58,800 in scholarships were given to employees at Continuing Care Hospital, Flaget Memorial Hospital, Saint Joseph Berea, Saint Joseph Hospital, Saint Joseph Jessamine, Saint Joseph London, Saint Joseph Mount Sterling and CHI Saint Joseph Medical Group.

The scholarships were awarded earlier this month. Caregivers are eligible to apply for the scholarships after they have been with the organization for one year. As part of the application, the caregivers are asked to share how they will use their education to continue their call to serve at CHI Saint Joseph Health.

To learn more about CHI Saint Joseph Health Foundations, visit [SupportCHISaintJosephHealth.org](http://SupportCHISaintJosephHealth.org).

---

**"We are proud to support their continued educational endeavors to continually grow in their careers. These scholarships would not be possible without the support of our donors, who support our ministry in many ways, including by providing opportunities for our caregivers to further their educational and career goals."**

Delaine Thiel, CFRE, vice president, philanthropy, CHI Saint Joseph Health Foundations.

# Yes, Mamm! Yes, Cerv! 5K

Saint Joseph Hospital Foundation's Yes, Mamm! Yes, Cerv! 5K race was held on Saturday, October 14 at RJ Corman Railroad Group. Despite the early rain showers, this year's race drew nearly 250 racers/walkers. Between the local community's participation and the gracious support from 25 sponsors nearly \$50,000 was raised to benefit the Yes, Mamm! Yes, Cerv! programs. The October race also hosted the first health fair which included 14 local vendors who showcased their unique products and valuable services. Children's activities with face painting and a bouncy house along with food trucks were fun additions to this year's inaugural health fair.

## Yes, Mamm! Funding

Link Belt International donated a remarkable \$193,100 from the Pink Belt equipment auction in May to the Yes, Mamm! program. Yes, Mamm! provides mammography screenings and diagnostic services to individuals in central and eastern Kentucky who are uninsured or medically underserved through referrals working with local health departments. The program also received \$10,000 from the American Breast Cancer Foundation's Community Partnership and \$20,000 from The Cabinet for Health and Family Services to support our Yes, Mamm! Program.

*LBX Company donated \$192,500 to Saint Joseph Hospital Foundation's Yes, Mamm! Program. LBX Company auctioned a 15.2-metric ton Link-Belt 145 X4 excavator called Pink-Belt after it toured the country before this year's ConExpo in Las Vegas to support the fight against breast cancer.*

*Joined by Berea Mayor Bruce Fraley, Congressman Andy Barr and Saint Joseph Berea President John Yanes announced \$350,000 in funding the facility will receive from the Fiscal Year 2023 Community Project Funding process. Rhonda McMaster, MBA, CNMT, RT(N), spoke on behalf of heart and vascular care at Saint Joseph Berea explaining that the money will be used to purchase a cardiac focused nuclear medicine camera that will enhance cardiac imaging for patients while lowering radiation delivery, ultimately improving the heart and vascular care provided to Berea and surrounding communities.*

*We recently dedicated a paver at CHI Saint Joseph Health – Saint Joseph Hospital in memory of Jeff Murphy, who served CHI Saint Joseph Health as vice president of Marketing and Communications until his death on Aug. 13, 2022. Thanks to Jeff's friends and family for marking his legacy and for supporting the work of our ministry through this donation in his memory.*

*The family of Louise Amato Jones celebrated the dedication of her Consultation room at Saint Joseph Hospital.*

*Amazing April was created in loving memory of April M. Nease who we lost on November 17, 2021, to breast cancer. This beautiful painted horse was part of LexArts Horse Mania 2022 in which 164 horses were created as a public arts exhibit that April endorsed – for both the artistic elements and her love of horses and all animals.*
