# Philanthropy News 2025

**Delaine Thiel**  
Vice President Philanthropy  
Saint Joseph Health Foundations  
KY Market

As the year draws to a close, we reflect on the incredible progress we've made thanks to the generosity of supporters like you. Your commitment has been vital this past year in helping us provide resources to our patients and facilities. We have been able to purchase a new orthopedic robot, new technology for our breast center and pediatric rehab equipment across the market. We have supported facility upgrades and look to expand our support this coming year for orthopedics, urology, cardiology and imaging services.

There are many worthy causes that seek your investments and we are grateful that you continue to consider Saint Joseph Health Foundations among them.

Our Foundations engage with our local communities for stewardship and fundraising events. This could not be possible without the support of our local volunteers. Please join us in the year ahead as we have several local foundation events planned.

With rapid change in the healthcare landscape, donor support is more important than ever. Our appeal is necessary to close the gap between what we receive for patient services and what is required today to continue to provide mission centered, excellent and compassionate care.

Your gifts make a tremendous impact on our local care sites. Every donation, large or small, makes a difference in advancing our mission of improving the health of the people we serve, especially those who are vulnerable.

Thank you again for your support of our foundations. We wish you a wonderful holiday season.

Sincerely,

A handwritten signature in blue ink that reads "Delaine Thiel".

Delaine Thiel, CFRE  
Vice President of Philanthropy, KY Market

Saint Joseph Hospital Foundation hosted the 10th annual Yes, Mamm! Yes, Cerv! 5K race on Saturday, October 10 at R. J. Corman Railroad Group. Families, friends, supporters, volunteers, and physicians came together to celebrate cancer survivors as they kicked off an inaugural survivor parade.

This year's race drew over 350 racers/walkers, including a record 26 teams. Thanks to the local community's participation and the generous support from nearly 20 event sponsors and nine in-kind sponsors, over \$57,000 was raised to benefit the Yes, Mamm! Yes, Cerv! programs.

The October race also hosted a health fair featuring local vendors, along with activities for children—including face painting and a bouncy house—and a DJ to further engage the community.
